

# neon Promotion

## Terms and Conditions

Yova is currently running a promotion with neon Switzerland AG ('neon'), where neon customers can benefit from an exclusive offer on Yova.

### 1. What is the promotion

This promotion has two parts:

- 1) If you invest with Yova following the steps described below, you will have your **Yova fees waived for 12 months**.
- 2) If you invest with Yova following the steps described below, **you will receive CHF 120 as a welcome gift**, which means you will receive CHF 10 on your Yova account every month for 12 months.

### 2. How to benefit from the promotion

- 1) When creating your account with Yova and before investing you need to enter the code **neon** in your Yova Dashboard under "Promotions".
- 2) You need to fund your Yova investment from your neon account.
- 3) Only new Yova customers can benefit from this promotion, if you are already a Yova customer you will not be able to benefit from this promotion nor be able to enter the code.
- 4) This promotion cannot be combined with any other promotion or promotion code, except if you earn benefits through [our referral program](#).

**To benefit from the neon promotion you need to invest with Yova**, this means your fees will be waived and you will receive the welcome gift as soon as you are invested with Yova (the minimum amount to be able to invest with Yova is CHF 2000). If you open a savings plan, you will benefit from the promotion as soon as you have reached CHF 2000 on your Yova account – not before.

**The Yova fee** is still deducted from your Yova investment account each month. It is refunded in full in the following month.

**The welcome gift of CHF 120** will be split across the 12 months meaning you will receive each month CHF 10 on your Yova account. The CHF 10 are transferred to your account the

following month: for instance, the CHF 10 of the month of August will be transferred to your account in September.

**The maximum reward** any customer is eligible for is the amount they paid in Yova fees that year plus the CHF 120 welcome gift. It is not possible to earn a reward that is larger than the Yova fee paid and the CHF 120 welcome gift.

### **3. Data privacy**

By entering this promotion, you agree that Yova can share your full name, your email address as well as the fact that you have invested money with Yova with neon.

### **4. General**

This promotion is a voluntary offer by Yova based on goodwill. We don't enter a legal agreement by offering customers participation in the neon promotion.

Legal recourse through the courts is excluded for any disputes about this promotion.
